

Rhythm: Application!

Goals for this Lesson:
 *Combine the things!
 *Apply the things!

1				
2				
3				
4				
5				
6				
7				
8				

Practice at home this exact way! Pick a power chord songs and learn it. AND/ OR try combining the 2 tasks we covered today by alternating back and forth without stopping OR by making your own creation that puts the two ideas together. Send me a video of your best efforts toward any part of this assignment and earn points! eric@quarterbendguitar.com
